This organisation would like to participate in the above IRMF comparison. We understand that we are responsible for the cost of transporting equipment to the next organisation after completion of our measurements. We also understand the IRMF policy on disclosure of the identity of intercomparison participants and their results (policy agreed at fifteenth meeting 29/4/98 and reaffirmed at twenty fifth meeting 21/5/03). We wish to participate on the following basis:

- Our organisation will be named and our results will be identified
- The identity of our organisation will not be revealed

Please tick as appropriate.

We understand that we will not be able to amend the terms under which we participate and we will not be able to withdraw our results once submitted.
